

EASY TO PLAY, EASY TO WIN!

Shell's great 'Make Money' game

Hundreds of thousands of cash prizes

Here's how you play 'Make Money'

Wherever you see the Shell 'Make Money' sign (see right)—drive in and get a sealed envelope containing half a 'Make Money' note. There are four values: 10/-, £1, £10, £100. As soon as you get a matching pair—left half and right half of the same value—and answer a skill-testing question correctly, you **MAKE** that amount of **MONEY** *there and then!* 'Make Money' is fun to play, and it's easy to win—so come along, drive in and collect!

You can win again and again

Drive in and collect. And hurry, hurry, before the money's all won!

Cut this out for a starter and take it round to any Shell garage where you see Shell's 'Make Money' sign!

You must have a driving licence. Employees and their families of Shell-Mex and B.P. Ltd., their subsidiaries, distributors, dealers and their advertising agents are not allowed to play.
